

WINNING WITH AIG

Help when it matters most

UK Employers Liability & General Liability

Being subject to a claim can be a challenging and disruptive experience. However big or small, our priority is to pro-actively investigate and resolve all claims as guickly as possible. You will have access to a dedicated claims contact who will guide you through the claims process, provide the support you need and to ensure the best possible outcome of the claim.

Not only will we help you when a claim occurs, but we will also help you mitigate potential claims in the first place. Through our global claims data, fraud trend analysis and expertise around new exposures, we help to reduce and manage your risks more effectively.

Giving you Confidence

Given the nature of our clients' businesses our insured's claims are often front page news. Our claims adjusters are used to dealing with highly sensitive matters that represent both financial and reputational risks to our clients. We are able to deal effectively and discreetly with all types of claims wherever they occur.

Working in Partnership

We work in partnership with our clients and their brokers and encourage our clients to meet with our claims adjusters before they have a claim to establish positive relationships, to discuss hypothetical claims scenarios and to discuss the process in the event that a claim occurs.

Client Focused

Delivering the right service in the right timescale

Insights and Emerging Risks

AIG CLAIMS

Service Excellence Benchmark for Quality

Problem Solver of Choice

Technical Leadership

Casualty Commitment

We recognise that however big or small, being subject to a claim can be a challenging and disruptive experience. From the inception of the policy, you will have access to a dedicated claims contact at AIG who is on hand to provide you with the personal and proactive support you require throughout the claims journey.

AIG has been writing employers liability and general liability risks for over 50 years, with a wider and more varied claims portfolio than many of our competitors.

Our highly trained in house claims teams are experts in liability, injury, product recall, legacy/disease and fraud. We provide onsite technical investigation from our expert field force and our major loss claims adjusters have experience of managing multi million pound multinational losses.
